Description	<i>Overtime is a song about the best "work hours" there are, those spent with the person you love, and the fact that even though there may be work involved in a relationship its all worth it in the end.</i>

You're a headache in pyjamas
Demanding Weetbix billable hours
I've got you booked in 5 to 9
You're my overtime
You're my overtime

Snugged up in covers
Telling tall tales about others
Squeezing out the daily grind
You're my overtime
You're my overtime

You can be the hardest project that I have
You can be a pool of problems I can't grab
You got me broken up, re-reading lines again
And there's no better pay than to fix it in the end

You melt me down like honey
You turn a deal when you wrap around me
You here is the bottom line
You're my overtime
You're my overtime
